

## 2003 Tournament Schedule for 24 B teams and 24 C teams

X = teams numbered 1-12, Y= teams numbered 13-24

|                                     | Div | A                | B | C                | D | E         | F |
|-------------------------------------|-----|------------------|---|------------------|---|-----------|---|
| Balloon "Race" Physical Science Lab | B   | X                | Y |                  |   |           |   |
| Can't Judge a Powder                | B   |                  |   |                  |   | X         | Y |
| Dynamic Planet                      | B   | X                | Y |                  |   |           |   |
| Egg Drop/Eng. Design                | B   |                  |   |                  |   | All Teams |   |
| Experimental Design                 | B   | X                | Y |                  |   |           |   |
| Feathered Frenzy/Ornithology        | B   |                  |   | Y                | X |           |   |
| Fossils/Paleontology                | B   |                  |   | X                | Y |           |   |
| Life Science Process Lab            | B   |                  |   |                  |   | X         | Y |
| Meteorology/Climate                 | B   |                  |   |                  |   | X         | Y |
| Metric Estimation                   | B   |                  |   |                  |   | Y         | X |
| Mystery Archhitecture               | B   |                  |   |                  |   | Y         | X |
| Reach for the Stars/Astronomy       | B   |                  |   | Y                | X |           |   |
| Road Scholar/Map Reading            | B   |                  |   | X                | Y |           |   |
| Science Crime Busters               | B   | Y                | X |                  |   |           |   |
| Science of Fitness                  | B   |                  |   | Y                | X |           |   |
| Water Quality                       | B   | Y                | X |                  |   |           |   |
| Write It/Do It                      | B   |                  |   | X                | Y |           |   |
| Cell Biology                        | C   | Y                | X |                  |   |           |   |
| Chemistry Lab                       | C   |                  |   |                  |   | X         | Y |
| Compute This                        | C   |                  |   | X                | Y |           |   |
| Designer Genes                      | C   |                  |   | Y                | X |           |   |
| Disease Detectives                  | C   |                  |   | X                | Y |           |   |
| Dynamic Planet                      | C   |                  |   | Y                | X |           |   |
| Experimental Design                 | C   |                  |   | X                | Y |           |   |
| Feathered Frenzy/Ornithology        | C   |                  |   |                  |   | Y         | X |
| Fossils/Paleontology                | C   | X                | Y |                  |   |           |   |
| Physics Lab                         | C   |                  |   |                  |   | X         | Y |
| Polymer Detectives                  | C   | Y                | X |                  |   |           |   |
| Practical Data Gathering            | C   | X                | Y |                  |   |           |   |
| Qualitative Analysis                | C   |                  |   | Y                | X |           |   |
| Reach for the Stars/Astronomy       | C   |                  |   |                  |   | Y         | X |
| Remote Sensing                      | C   | Y                | X |                  |   |           |   |
| Science of Fitness                  | C   |                  |   |                  |   | Y         | X |
| Write It/Do It                      | C   | X                | Y |                  |   |           |   |
| Bottle Rockets B Div                | XB  |                  |   | Sign up for time |   |           |   |
| Bridges B Div                       | XB  | Sign up for time |   |                  |   |           |   |
| Mission Possible B Div              | XB  |                  |   | Sign up for time |   |           |   |
| Picture This B Div                  | XB  |                  |   | Sign up for time |   |           |   |
| Robo Billards B Div                 | XB  | Sign up for time |   |                  |   |           |   |
| The Wright Stuff B Div              | XB  |                  |   | Sign up for time |   |           |   |
| Boomilever Div C                    | XC  |                  |   | Sign up for time |   |           |   |
| Bottle Rockets Div C                | XC  |                  |   | Sign up for time |   |           |   |
| Mission Possible Div C              | XC  |                  |   | Sign up for time |   |           |   |
| Robot Ramble Div C                  | XC  |                  |   | Sign up for time |   |           |   |
| Sounds of Music Div C               | XC  |                  |   | Sign up for time |   |           |   |
| The Wright Stuff Div C              | XC  |                  |   | Sign up for time |   |           |   |
